

J JUST BEAUTY

DAY 1
WOW!
I LOVE MY BROWS!

DAY 2-4
UMMM...
WHY ARE THEY SO DARK?!

DAY 5-7
WTF THEY ARE SCABBING
AND FLAKING OFF!!!

DAY 8-10
WHERE DID THEY GO?
THEY ARE TOO LIGHT!

DAY 14-28
THE COLOR IS COMING BACK!
STILL A LITTLE PATCHY.

6-8 WEEK TOUCH UP
YES!
THEY ARE PERFECT!

Healing is a process. It takes time.
Some skin retains pigment better. Everyone is different.
Following the aftercare is a vital part of the healing process!
Neglecting or trying to rush the healing process,
will result in less than satisfactory results.
Slight changes and alterations can be made at touch up session.
